

CHANGE ANNOUNCEMENT

SOCIAL SECURITY BENEFITS ORIENTATION AND ANALYSIS EFFECTIVE AUGUST 22, 2006

CHANGES

The Social Security Benefits Orientation and Analysis Manual Chapter has been revised. The Manual Chapter has been updated to include the new Social Security Consent for Release of Information and Response forms. The revised Manual Chapter also references the new ESN/NWII Benefit Analysis Referral Form.

VRIS UPDATE

The revised Social Security Manual Chapter has been placed on VRIS.

The Case File Order List found on VRIS Case Service Forms and Worksheets, and the Case File Order found on VRIS in the Program Manual - Policy section have been revised to include the new SSA and ESN forms.

TEAM COMMUNICATION

Office Directors should review these changes with their Team Benefits Specialists to assure understanding and adherence to the policies and procedures.
